I rivestimenti Action, in Bicottura atomizzata, soddisfano la moderna necessità di rivestire le pareti con design sempre più coinvolgenti. Le combinazioni delle superfici piatte e tridimensionali danno vitalità alle pareti stesse e si abbinano alle varie soluzioni offerte a pavimento.

Action, atomized double fire wall tiles, fits the modern need to tile walls with compelling and emotional designs. The combination of flat and three-dimensional surfaces gives eye catching vitality to the walls and matching floors.
